This golden-amber whisky has a delicate aroma that blends peat and aged oak smoke, with refreshing notes of citrus, green apples, with a background of vanilla pods and raisins, accentuated by a hint of ginger. Its palate is a combination of delicate peat smoke, soft vanilla, and a surprising sweet oak smoke, and gentle wood spice that fades into a mouth-coating of citrus fruits and green apples.

Whisky connoisseurs would be excited to know that only one bottle will be available at WOWS for SGD\$112,000.

### **Bowmore John Galvin 1965**

Retailing for SGD\$77,500, there are only two bottles available on the WOWS portal, out of 232 bottles produced worldwide. A Lotte exclusive, this exceptionally rare whisky showcases over 230 years of maturation knowledge, matured within the oldest maturation warehouse in the world, the No.1 Vaults. Whisky lovers will appreciate the signature rich fruit and balanced smokehouse style which has

been elevated to legendary status through maturation, showcasing the iconic fruit notes and deep flavour that are revered in Bowmore single malts. This bottle is definitely one that avid collectors would want to get their hands on.

### **Martell 70 Years Old Grande Champagne**

The oldest of the great cognac houses, founded by Jean Martell in 1715, Maison Martell can also claim to possess one of the oldest collections of eaux-de-vie – a “library” of more than 10,000 references. Now, Martell Cellar Master Christophe Valtaud has selected just one of these exceptional eaux-de-vie to be released as a one-of-a-kind limited edition. Drawn from the House’s most precious reserves, **Martell 70 Years Old Grande Champagne** is a pure product of the prestigious Grande Champagne terroir. Situated at the very heart of the Cognac region, Grande Champagne is renowned for the richness, power and ageing potential of its eaux-de-vie. Having attained 70 years of age, this outstanding eaux-de-vie is being released in an exclusive edition of just 70 hand-crafted, numbered decanters. Moreover, the design of the decanter was created 70 years ago by Baccarat, one of France’s most revered crystal manufacturers. Only one bottle is available at WOWS and it retails exclusively for SGD\$35,000.

### **Hennessy Paradis Bernardaux**

Created by Maurice Fillioux in 1979, the cognac Hennessy Paradis is known for its voluptuous and harmonious aroma. It consists of eaux-de-vie, which reflects the personality of such a delightful cognac: supple, light and round. The eaux-de-vie is blended into an excellent cognac of graceful, silky character, highlighting its finely nuanced and harmoniously balanced aromatic qualities. Its superb display of coppery gold colours is an indication of the many years it has spent ageing in old casks.

To celebrate the Year of the Dragon in 2024, Hennessy brought together Chinese contemporary painter Yang Yong Liang and famed French porcelain boutique Maison Bernardaud to collaborate with Hennessy Paradis cognac. This limited-edition cognac decanter with its Dragon design is the third in the Chinese Zodiac series to be produced in collaboration with Maison Bernardaud, which makes it an extremely desirable collectible. With only one

bottle available at Wows, this limited edition bottle retails at SGD\$13,250.
