Jewel Changi Airport opens Disney100 in Singapore with spectacular displays to delight fans, families and travellers

Jewel Changi Airport (Jewel) today launched a range of Disney-themed activities and retail offerings for travellers to enjoy when they visit Singapore. The Disney100 activities and displays pay tribute to nearly 100 years of iconic storytelling from The Walt Disney Company. Jewel visitors will be able to explore a Disney100 Light & Sound Show featuring some of Disney's most beloved characters and photo spots inspired by select Disney films. Shoppers

can also enjoy retail offerings featuring Disney merchandise and collectables.

Special Disney100 Light & Sound Show

For the launch weekend from 12 to 15 January 2023, visitors can expect a dazzling new Light & Sound show, as well as surprise appearances by Disney's well-loved special friends. Jewel's marvellous Light & Sound show at the HSBC Rain Vortex will take on a Disney theme in conjunction with the activities.

During the launch weekend, activities will kick off with a surprise performance, before Disney's special friends meet visitors, and usher in a specially choreographed six-minute Disney100 Light & Sound Show at 7.30pm. Featuring beloved Disney characters, the Light & Sound Show has been curated by internationally acclaimed Los Angeles based water feature design firm, WET. Disney fans can sing along to a medley of songs including *When You Wish Upon A Star*, *A Whole New World*, *You've Got A Friend In Me* and the theme soundtrack from Marvel Studios' *Avengers: Endgame*.

Beyond the launch weekend, visitors will be able to watch a shorter version of the Disney100 Light & Sound Show that will run from 16 January to 9 April 2023.

Disney100 photo spots

At the Shiseido Forest Valley, visitors and Disney fans will be able walk through a Disney100 archway and take photos in front of a 4-metre tall platinum statue of Mickey Mouse. The North Entrance is also where visitors can take photos with well-loved and special friends during meet and greet sessions happening at various times¹ from 13 to 15 January 2023.

Visitors can also explore 10 Disney-themed photo spots on display at Jewel. Inspired by scenes from Disney, Pixar, Marvel and *Star Wars* movies and shows, these interactive photo spots at the Shiseido Forest Valley and Canopy Park will be available from 12 January to 9 April 2023, for visitors of all ages to capture special Disney moments.

The Disney100 photo spots pay homage to fans and families everywhere who have brought Disney into their hearts. The photo spots include iconic scenes such as Mickey Mouse in his debut film *Steamboat Willy* (1928) – the very first Disney animation with sound – and other memorable moments from popular films like Disney’s *Winnie The Pooh* (1977), *Lion King* (1994) and *Encanto* (2021), Disney & Pixar’s *Toy Story* (1995), *Up* (2009) and *Inside Out* (2015). This collection of specially designed photo booths will bring back fond memories of classic and iconic films that have touched the lives of many across generations.

Guests who visit Jewel dressed in outfits inspired by their favourite Disney characters will also be entitled to free entry into the Canopy Park from 13 to 15 January 2023.

In collaboration with the Singapore Tourism Board (STB), four other photo spots called “Little Wonders of Singapore” have also been created to highlight intriguing elements of Singapore.
