At the Shiseido Forest Valley, Super Mario fans can get a chance to ‘jump’ into colourful warp pipes and experience many photo-worthy spots with beloved characters and power-up items found in the Super Mario world at ***Pipe Around the World at Jewel***.

Visitors can embark on their Super Mario adventure from the five-metre-tall 3D centerpiece installation.

Three larger-than-life displays – a ? Block, a *Super Star* and a *Super Mushroom* – each two metres tall, are perfect for fans and visitors alike to strike some poses and imagine gaining a new special ability.

Eight other photo spots feature notable Super Mario characters such as *Princess Peach*, *Toad*, *Bowser*, *Goomba*, *Yoshi* and the iconic *Super Mario Pipes*. These character photo spots will allow fans to snap a shot alongside their favourite characters, or even pretend to be transported to one of the Super Mario worlds through the 56 pipes located throughout Jewel.

See Mario and Luigi in a first-in-Singapore meet-and-greet

Fans and enthusiasts of Super Mario will get a chance to meet and interact with the well-loved Mario and Luigi characters on 17, 18 and 19 November (12pm, 2pm and 4pm), at South Gateway Garden on Level 2. This is the first time such a meet-and-greet is happening in Singapore, with only three sessions each day.
