Operating Indicators for January 2019

SINGAPORE, 28 February 2019 – Singapore Changi Airport handled 5.62 million passenger movements in January 2019, a 6.0% year-on-year increase. Aircraft movements were stable at 32,700 landings and takeoffs, while airfreight throughput declined 2.4% to 171,000 tonnes for the month.

Passenger traffic growth during January was broad-based with increases recorded for all regions except the Middle East. Among Changi Airport's top 10 markets, Australia, China, India and Japan registered double-digit growth while there was a decline in traffic for Malaysia and Thailand. Among Changi's top 20 routes, Delhi, Denpasar and Melbourne were the fastest growing.

As at 1 February 2019, more than 100 airlines operate at Changi Airport, connecting Singapore to some 400 cities in about 100 countries and territories worldwide. With more than 7,400 weekly scheduled flights, an aircraft takes off or lands at Changi roughly once every 80 seconds.
