Operating Indicators for June 2015

SINGAPORE, 28 July 2015 – Passenger traffic at Singapore Changi Airport increased 1.0% in June 2015, with 4.70 million passengers passing through the airport. This was Changi Airport’s busiest month so far this year. In terms of flight movements, a total of 28,530 aircraft landings and take-offs were recorded during the month, a growth of 1.4% year-on-year.

In the first six months of 2015, Changi Airport managed 26.6 million passengers, an increase of 0.2% compared to the corresponding period in 2014. Aircraft movements totalled 169,890, 1.0% lower than a year before.

Thailand traffic continued to show positive signs of a rebound, with

passenger movements to and from Bangkok registering robust growth of 30% in the first half of 2015. Bangkok has overtaken Jakarta to top the list of Changi Airport's busiest routes for the six-month period. Kuala Lumpur, Hong Kong and Manila complete the top five list. Apart from Bangkok, Colombo and Mumbai also registered strong double-digit growth during the half-year, among cities with at least a quarter of a million passengers handled during the period.

On the cargo front, even though airfreight shipments dipped 2.2% to 151,300 tonnes in June 2015, total cargo volume for the half-year rose 0.2% to 912,300 tonnes.

As at 1 July 2015, more than 100 airlines operate at Changi Airport, connecting Singapore to over 320 cities in some 80 countries and territories worldwide. With more than 6,700 weekly scheduled flights, an aircraft takes off or lands at Changi roughly once every 90 seconds.
