A comprehensive panel of catering partners, which includes five-star hotels and established catering companies, serves up a wide range of sumptuous delights. From symbolic dishes featuring seafood delicacies, crispy roasted meats drizzled with signature sauces, to aromatic soups infused with truffle oil, designing a menu to delight your guests' palates would be an easy feat. All menus come with free-flow soft drinks and an option of a beer barrel.

In addition to a wide array of food options, couples can look forward to end-to-end service with value-added inclusions. Exquisite Jewel-themed gifts make for meaningful wedding favours that guests will cherish. Couples can also choose from an array of complimentary add-ons, such as a hotel suite stay or additional alcohol for guests. For an even more unique and memorable wedding experience, couples can opt to add on a Canopy Park attraction access pass for their guests, capping a day or evening of fun. Various venues at Jewel are also available for pre-and-post event use, such as for a tea ceremony, fun entourage party, or simply as a haven for the couple to rest.
